# why **Michael Soli**...

Dear Sir/Madam:

My name is Michael Soli. I'm an entertainer and performing singer/guitar player based in Las Vegas, NV. For the last 15 years I have been performing original and commercial music in cafés, clubs, casinos, on cruise ships and at weddings, private parties and most recently for corporate functions. I also perform concerts of original music.

About three years ago I began performing as a solo acoustic act in Las Vegas, NV. I now work weekly in Las Vegas doing both corporate and regular performances. I have the ability to work with sequences (computer tracks) or as an 'unplugged' act (depending on your venue size, budget, sound preferences, etc). I can also add musicians and perform as a duo, trio or quartet.

The bottom line is that I know how to entertain a crowd, make live music fun for everyone and promote your venue and/or event while doing it. I would be happy to provide you with any references and/or reviews of my performances.

Thank you for your time and consideration. I hope to be making music for you soon.

Musically,  
Michael Soli
